PRE UNIVERSITY COLLEGE

(A Unit of Infinity Learning Foundation®)

About Us

Excel Pre-University College is a unit of Infinity Learning Foundation, Kuvettu village, Guruvayanakere, Belthangady Taluk, D.K, Karnataka. Our institution has a rich legacy of success stories of students over the past 10 years in PUC Science stream. The concept of our PU college grew out of our Excel Coaching Centre, Ujire established in 2016. It is incepted with the major

aim of enabling students to attain success in Karnataka PUC board exams and competitive entrance exams like NEET, JEE, CET, NDA, etc., for their easy admissions into the trending modern vocational courses like medical and engineering. We make it possible by laying a very strong curricular foundation in the minds of students and by fostering the necessary competitiveness among them. Apart from that, we have the commitment to igniting patriotism and cultural sensibility in young minds through regular cultural events at the campus. Thus, Excel PU College has a genuine concern for creating a conducive academic and cultural environment for its students to bring the best out of them.

Vision

To achieve academic excellence through innovative teaching learning practice, identify the hidden talents, provide opportunities for students to realise their free potential.

Mission

We endeavour to be the right mentor for PU Board and competitive exam aspirants while also helping them develop a global perspective, with a keen interest in community life, we strive to ensure students' success in various competitive exams in India like NEET, JEE, NDA, NATA and CET.

Residential-Hostel Facilities

RESIDENTIAL FACILITIES

- Nutritious vegetarian delicacy
- Breakfast, lunch, evening snacks and dinner provided (Separate dining halls)
- Food testing done regularly
- Food Court/ Café/ Bakery inside the campus

SECURITY

- 24 hrs security for all the resident blocks
- Women Security in girls' residence
- Wardens in each block
- Floor wardens on each floor

FROM THE DESK OF THE CHAIRMAN

Education is not a mere accumulation of facts; it is a preparation for life itself. Education is the knowledge imbued with wisdom and ethics. It develops the personality of the students, moulds their character and develops mental skills to help them cope with the problems and challenges of the complex world of today. One of the most significant character traits that need to be instilled in our youth during their education is a finely ingrained attitude of service- before self.

Excel PU College comprises well-qualified lecturers and mentors supported by administrative staff. Our endeavor is to provide an enriched environment to make teaching and learning a rewarding experience. The curriculum is relevant to the needs of a changing world. It promotes and inculcates academic excellence along with leadership quality, self-confidence, mutual respect, and a sense of global identity.

MR. SUMANTH KUMAR JAIN B

Chairman
Infinity Learning Foundation

We aim at establishing benchmarks in academic excellence and holistic grooming to help our students to meet career challenges in the increasingly globalised economic conditions.

We look forward to welcoming you to Excel PU College of advanced studies and helping you to shape your future by turning your dreams into reality and preparing you to face the challenges ahead.

Secretary's Words

Our College believes that education does not end in the classroom. It is committed to the development of students who will play an important role in building a tradition that will endure through the years to come. The College enables the students to become ideal citizens realising the responsibilities to execute their duties with perfection. The College facilitates the upcoming generation with an all round personality development.

MR. ABHIRAM B S

Principal's Message

DR. NAVEEN KUMAR M

Education is not an act of acquiring knowledge but learning a skill to lead life and form one's personality. We focus on discovering, developing, and drawing out the hidden talents and the magic lying dormant inside all our students. From academics to co-curricular activities, perseverance and a never-say-die spirit are entrenched in the heart of every student not only making them good students but brilliant human beings.

I am positive that in times to come we will continue this journey with elevated enthusiasm and persistently provide a platform of holistic learning to the young generation of learners.

CRACK THE COMPETITIVE EXAMS

Our experienced facilitators assist students to succeed in competitive exams like NEET, JEE, NATA, NDA and KCET, while making the students fundamentals strong.

The PU-Advanced program ensures both PU Board & competitive syllabus are taught parallelly,

- 100+ test papers • 100% NCERT syllabus coverage
- Online support for doubt clarification and online mock test
- NCERT solutions for all exercises in physics, chemistry, mathematics and biology
- Previous year solved question papers • 20000+ practice/exercise questions

VACATION CLASSES

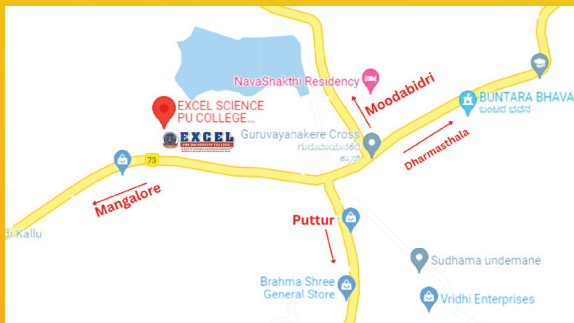

(I PU STUDENTS CAN
JOIN AFTER BOARD EXAM)
